1963 figures. Census statistics represent only mine or mill shipments in 1963.

(5) The Bureau of Mines excludes from its 1963 statistics shipments made in January of that year if such shipments had been included in their 1962 statistics. Likewise, any shipments actually made during 1962, but not included in Bureau of Mines figures for that year, were added to the

(6) The Bureau of Mines includes metals recovered at smelters from old slag and smelter cleanings if that metal was not included in their statistics for earlier years. Only metals contained in ores mined or milled in 1963 are included in Census statistics.

(7) The Bureau of the Census excludes small establishments whose value of shipments and reported costs of operation were both below \$500. The Bureau of Mines includes all reports obtained, regardless of size. However, the contribution to products of such establishments is very small.

(8) Some differences in the State statistics result from the assignment by the Bureau of Mines of concentrates produced in one State from ores mined in another to the State in which the mine is located. Census statistics include such concentrates in the State where the mill is located.
